

## **FALL ADULT FAITH FORMATION CLASS**

We've covered all sections of the New Testament except one – the non-Pauline Epistles. Last semester, we did Paul's Epistles. This time we will do the Catholic and Pastoral Epistles.

These letters, written by various 1st century disciples are meaty and practical for living the Faith in all ages, including today. Set in context, these epistles give us advice and direction in living the faith on a daily basis in the real world today.

Come learn how to read, study, and pray these Biblical letters in the class offered by Father O'Brien on Wednesdays from 7:00-8:30 p.m. in the school cafeteria. The dates are October 17, 24, November 7, and 14. Bring a Bible and a notepad.

Sign up by October 14th. Call or email the office or send in the clip out slip below via mail or the collection basket.
