

Dear St. Anthony of Padua Family,

This week, we were notified that a member of our parish and Religious Education Program has tested positive for the Covid-19 virus. Please remember this parishioner in your prayers. This member of our parish family was last in our church on October 4, 2020 at the 10:30 am Mass and was also present at the Religious Education/CCD session that day in the cafeteria of Resurrection Catholic School. We continue to follow all Federal, State, and Diocesan Guidelines regarding mitigation, sanitization, and social distancing and are exercising every effort to keep everyone as safe as possible. As part of this process, we are sanitizing the upper church after every Mass and sanitizing the school cafeteria after every Religious Education class. We ask that anyone who is ill, please do not attend Mass. Bishop Gainer has extended the dispensation from attending Mass. If you have a concern and wish to speak with us, please contact the Parish Office at 717-394-0669.

*Father Daniel P. O'Brien*
